Chess King Corp provides professional, high quality after school chess programs throughout the Bay Area. Summaries of studies of children who play chess have shown an increase in cognitive abilities such as critical, abstract and creative thinking, problem solving abilities, increases in fluency, reasoning, memory, originality and a general increase in IQ. Chess also helps to remind children that choices we make can help us or not. In short, chess is very good for the development of children's intellects and character.

Chess instruction provided by **Chess King Corp** covers basic chess rules, basic tactics, advanced tactical training and is age, grade and skill level appropriate. All children are invited to participate, to have fun and reap the rewards and benefits of the **Chess King Corp** program. Each one hour class includes a half hour of instruction followed by a half hour of tournament play. Awards are presented regularly.

**All students are invited to attend a trial class
January 24th with no obligation**

A limited number of scholarships are available on the basis of financial need
